

On average in the state of Montana, **5 students drop out of school every day**. This is not OK with me. Something needs to change. I can be a part of the change. I CAN MAKE A DIFFERENCE.

**MY PLEDGE:**

I, \_\_\_\_\_, will graduate from high school. No matter what it takes, how long it takes, or how hard it gets, I can do this and I will not give up. One reason I think it is important for me to graduate is

I make this pledge to myself, my family, my friends, my school and my community.
